H. ACKNOWLEDGEMENT							
Request Completed By (Signature Require	Date:/						
Any person who knowingly files a request for authorization of coverage of a medical procedure or service with the intent to injure, defraud or deceive any insurance company by providing materially false information or conceals material information for the purpose of misleading, commits a fraudulent insurance act, which is a crime and subjects such person to criminal and civil penalties.							

The plan may request additional information or clarification, if needed, to evaluate requests.
