Aetna Better Health® of New Jersey

Provider and Pharmacy Directory

This provider directory lists doctors, hospitals, clinics, pharmacies and other providers that work with Aetna Better Health of New Jersey. This book will help you get health care services. You can also call us toll free at **1-855-232-3596**, TTY: **711**, 24 hours a day, 7 days a week. We will help you find a provider. You can also view the list online at **aetnabetterhealth.com/nj**.

We continue to add new providers to our list. Having the provider's name in this book does not mean that they will stay with us. It also does not mean that they are taking new patients. To get the most current list of providers, go online to **aetnabetterhealth.com/nj.** You can also call us toll free at **1-855-232-3596**, TTY: **711**, 24 hours a day, 7 days a week.

If there is a provider you would like to join the plan, call us. We may be able to add them. You will not be able to use that provider until they are part of the plan.

Your Primary Care Provider (PCP)

- This is your main doctor or caregiver that you picked when you enrolled with us.
- Your PCP will help you get all the covered services you need.
- Tell your PCP about any health problems you have.
- Your PCP will get to know your health history.
- Check with your PCP before you get services from other providers.

Choose your PCP

Now that you have joined us, you will need to pick a PCP for yourself and your family members who also get health care coverage from us.

- You must pick a PCP.
- Each eligible family member does not have to have the same PCP.
- If you do not pick a PCP, we will pick one for you.
- You can call us toll free at **1-855-232-3596**, TTY **711**, 24 hours a day, 7 days a week if you have questions about choosing or changing your PCP.

Specialty Care

- Specialty care comes from providers who treat certain problems. These providers are called specialists.
- Some kinds of special health care needs mean that you must visit a specialist instead of your PCP.
- Your PCP will send you to a specialist if you need one. If you have questions, call us toll free at **1-855-232-3596**, TTY **711**, 24 hours a day, 7 days a week.
- For most health care, the specialist will only see you if your PCP sends you.
- Some providers may not perform a certain service based on religious or moral beliefs.
